# Stay informed

It's important to know the different ways you can stay informed during an emergency.

## Radio

If the power goes out, a solar-or battery-powered radio (or your car radio) can help you keep up to date with the latest news. In an emergency, tune to these stations:

- Radio New Zealand
- The Hits
- NewstalkZB
- MoreFM

Check with you Civil Defence Emergency Management Group to find out what local stations they recommend you should listen to during an emergency.

## Emergency Mobile Alert

Emergency Mobile Alert is a way of receiving information about emergencies in your area. If your life, health or property is in danger, Emergency Mobile Alerts can be sent to your mobile. You don't to sign up or download an app.

## Online

For local updates, check your council's website and social media. As well as your Civil Defence Emergency Management Group website and social media.

National updates will be available on [www.civildefence.govt.nz](http://www.civildefence.govt.nz).

For advice on preparing for disasters follow @NZCivilDefence on Facebook.

## Know your neighbours

Get to know your neighbours. In an emergency, you'll be able to help each other while civil defence and emergency services are busy helping people who need them most. Get involved in your community and get to know your neighbours before an emergency happens.
